You have successfully submitted your article to *JMIR Medical Informatics* and the review process is now underway.

In the meantime, we invite you to look at some of the options offered by JMIR Publications which can improve your publishing experience with us and help with dissemination of published articles. Many of our authors have grant funding that ends at a certain date and can therefore benefit from the purchase of prepaid credits. These credits can be used for any costs associated with the article you just submitted OR any future submissions. You may also be interested in one of our memberships (individual or institutional) or our knowledge dissemination add-ons.

All of the choices below are completely optional, so if you would prefer not to make a purchase right now, nothing else is required of you at this time. Thank you for choosing JMIR Publications!

- ◯ **A1. Prepaid Credits US$2750:** Pay the entire Article Processing Fee today. Your prepaid credits are non-refundable and do not expire, even if your paper is rejected
