Dear Samuel Harrold,

Thank you for approving your Video Byte. Now comes the most important part of the process: sharing your video as widely as possible!

We have posted your video to Vimeo (https://vimeo.com/1161046047?share=copy&fl=sv&fe=ci Password: AJE_Healthcare), where you can download the video in low or high resolution at any time by using the link under the title below the video. Please see our Video Bytes overview sheet (attached) for more helpful information on how to maximize your video's viewership! You can also find the tags that we used to make your video more discoverable by clicking "More" beneath to the title of your video on Vimeo. You are welcome to use these tags if you decide to share your video on your own platforms.

We love showcasing videos on the AJE Facebook, X (Twitter), and LinkedIn channels, and if your video is shared, your article will be referenced in each post. Please consider following our social media pages and sharing our posts to maximize the exposure of your video. Please note that in some cases, certain restrictions may prevent us from sharing your video. You will be able to post to your own social media channels using this YouTube Link: https://youtu.be/q4sE4O9F9pU.

Thank you again for working with us to create your Video Byte! Please do not hesitate to contact me if you have any questions.

If you have a moment, please take our 2-minute survey regarding this service.

Best wishes,
Darshan J

> Dear Dr Harrold,

I hope you are doing well.

I am writing to kindly follow up on the revised video shared earlier. When you have a moment, could you please review it and let us know if we may proceed with approval?

For your convenience, here are the details again:

Vimeo link:
https://vimeo.com/1161046047?share=copy&fl=sv&fe=ci

Password: AJE_Healthcare

If possible, we would appreciate receiving your feedback by **17 February 2026** so we can proceed accordingly and avoid any delays.

We look forward to your confirmation.

Best regards,
Bhavik

Dear Dr Harrold,

Thank you for sending the additional information for your video byte. It has been added to the project and we will proceed with scriptwriting.

Please let me know if you have any questions in the meantime.

Thanks,

Bhavik
